skills

- Editing** Skilled Final Cut Pro user. Knowledgeable of many different encoding / compression programs. Can create a project from raw footage to a fully completed HD piece, including color grading and motion graphics.
- Directing** Worked as a director for many live sporting events at Milligan College. The job included finding a team, setting up the equipment, troubleshooting any gameday issues and directing the production once the event began.
- Producing** Shot many interviews and footage used for Emmy winning series such as "Chiefs Live," "Hy-Vee Chiefs Insider," and "Chiefs Kingdom." Produced two shows that were shot, edited, and posted to kcchiefs.com on a strict weekly schedule.
